MARIN-SONOMA PRODUCE CO
WE'RE HERE. FOR YOU.

✓ **Built for Your Kitchen, Made for Your Schedule**

Every cut, dice, slice, and blend is processed to your exact spec the evening before delivery — never sitting in inventory, never losing freshness. You get prep done before your team clocks in.

WHY CHOOSE OUR FRESH-CUT PROGRAM

Full selection of certified organic and conventional options — mix and match to fit your menu and budget.

✶ **Consistent Yield, Less Waste**
Pay only for usable product. No trim, no cores, no shrink — just plate-ready ingredients in every case.

$ **Real Labor Cost Savings**
Eliminate hours of prep work daily. Reduce knife injuries, training time, and back-of-house headcount pressure.

⚙ **Custom Cuts & Blends**
Your specs, your way. Custom dice sizes, signature mixes, and proprietary blends built around your recipes.

Next-morning delivery throughout Marin, Napa, and Sonoma counties — no long-haul transit, no surprises.
